

## ENDORSEMENTS

Since its founding, WIN has endorsed more than 200 candidates and contributed to their campaigns. Women seeking local office are contacted and invited to submit an application for endorsement. Upon completion and timely submission, the application is reviewed by the WIN selection committee.

The selection committee evaluates candidates' responses to items contained in the questionnaire and considers their plans and ability to run a viable, credible campaign.

### 2018 ENDORSED CANDIDATES

Thank you to all of the women who had the courage, spirit and dedication to run for public office.

ENGAGE. ENCOURAGE. ENDORSE.
